Dear Haim,

Thanks very much for sending me a copy of your valuable book שיחות עם יצחק שמיר and its English version. I look forward to reading your book about the life and career of our former Prime Minister with avid interest.

I was very happy to read in the Introduction that you consider the original agreement concluded with the PLO, namely, the Declaration of Principles (and presumably all subsequent agreements) "to be clearly... illegal". This was of course the central point of the Petition I filed before the Supreme Court on May 20, 1994 on behalf of 26 Israelis. You may recall that this was the time I first met you in trying to secure your services to act as the Attorney for the Petitioners. I am glad we now share the same view.

I also appreciated the kind inscription you wrote for me.

Sincerely,

Howard
